DIGITAL HEALTH

Make GP Appointments On-Line

Once you know the right steps, it is now possible to do this via a mobile app or in a web browser and avoid the 08:30 morning rush phone queues.

Access Your Health Records On-Line

Once you know how, you can access your GP and Hospital Health Records, find test results, diagnoses, treatments, vaccinations and other related information easily.

It's Easier Than You Think

If you find the idea scary, you just need some clear and simple 'how-to' guides.

You Need Our Digital Health Access Guides!

With our simple step-by-step guides, you can follow the process to create an NHS Account and be digital health savvy in no time. You can then use this account to access the appointment system, view your health records and much, much more.

How Do I Find The Guides?

That's easy – just go to our new Digital Health Access website:
<https://simpsonhouseppg.org.uk/dha> or scan the QR Code on the right with your mobile device camera →

Send us questions or feedback at: dha@simpsonhouseppg.org.uk
