

Digital Health Access A Guide for Patients

DIGITAL HEALTH

Do You Have Any Idea How To Make GP Appointments On-Line?

Once you know the right steps, it is now possible to do this via a mobile app or in a web browser and avoid the 08:30 morning rush phone queues.

Do You Have Any Idea How Access Your Health Records On-Line?

Once you know how, you can access your GP and Hospital Health Records, find test results, diagnoses, treatments, vaccinations and other related information easily.

Does The Whole Idea Of Doing This On-Line Make You Anxious?

It's not nearly as difficult as you think. You just need some clear and simple guides.

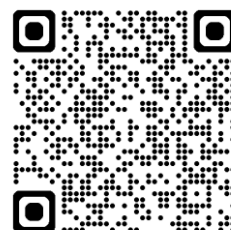

You Need Our Digital Health Access Guides!

With our simple step-by-step guides, you can follow the process to create an NHS Account and be digital health savvy in no time. You can then use this account to access the appointment system, view your health records and much, much more.

How Do I Find The Guides?

That's easy – just go to our new Digital Health Access website:
<https://simpsonhouseppg.org.uk/dha> or scan the QR Code on the right with your mobile camera →

Send us questions or feedback at: dha@simpsonhouseppg.org.uk

The Digital Health Access Guides website is provided by the Simpson House Patient Group
